## Headteacher's Spotlight

I hope you all had a restful and enjoyable half-term break. As we step into the final half-term of this academic year, we're gearing up for a busy and exciting few weeks ahead! There's a lot happening!

If you haven't already signed up for **The Mynd Drover**, please do so as soon as possible. I'll be taking part myself and am really looking forward to the challenge - and of course, the celebratory BBQ and drink at the end! Sign up here:

Mynd Drover

We're also preparing for our **Summer Fair**, and we need your help! Our **Bottle Tombola** stall is looking a little bare at the moment. This stall is always a favourite and usually overflowing with bottles galore. If you're able to donate any bottles or cans (soft drinks, beer, wine or spirits), sauces, toiletries, etc). Please bring them to the school office. Your support is greatly appreciated - thank you in advance!

A quick reminder that **class photographs** will be taken next **Monday**. Please ensure your child comes to school in clean, full uniform, ready to smile with their classmates and staff.

You'll find the dates for our **End-of-Year Celebration Events** on the reverse of this newsletter. Our classes are

already busy rehearsing to bring you fun and memorable shows. If your child would like to **sing or play a musical instrument** during one of the performances, please ensure they let **Mrs A-B** know by **Thursday, 12th June 2025**.

We're thrilled to share some exciting news from **Bookfest!** Last term, our Year 1, Year 3, and Year 5 pupils took part in this fantastic celebration of reading and storytelling. Huge congratulations to **Rory Richards-Smith** in Year 1, who was named the **county-wide winner** for his brilliant story: *'The Giraffe Who Swallowed a Boy'*. Well done, Rory - we're incredibly proud of you!

A polite reminder about **school drop-offs and pick-ups**: We have several taxis that transport pupils daily and use the staff car park at the front of the school. To avoid congestion and ensure safety, we kindly ask that parents do not use the staff car park for dropping off or collecting children.

## Safety around dogs

The bond between your child and dog can bring fun and happiness to family life. We don't expect our own dog to bite, but any dog can bite if they feel they have no other option.

Children are most likely to be bitten at home, by a familiar dog. Luckily most bites are preventable and close supervision is key.

-  **A calm, happy dog** is less likely to react unsafely to children's natural exuberance.
- Give your dog a safe space of their own where they can go if they need time out. Have a rule to leave them alone when they're there.
  - Keep them occupied – physical exercise and mental activity help keep your dog happy.
  - Teach your child to be calm and kind with your dog. Avoid shouting, teasing or restrictive cuddles.

-  **Close supervision** is the most important thing to keep children safe.
- Watch, listen and remain close when your child and dog are together.
  - If either your dog or child seems unhappy, positively and calmly separate them. You can throw your dog a treat or toy, or lead your child away.
  - **Understand your dog's body language** so you can spot signs they feel uncomfortable or stressed.
  - When you know you'll be distracted during busier times, use safety gates to keep children and dogs separate. Or, take your child or dog with you.

-  **Your growing child** – as your child changes, the risks can change too.
- Teach the rules to your child from an early age and keep explaining them as your child understands more.
  - As your child becomes more mobile, review changes needed, like adding safety gates.
  - Think ahead about your changing family life and new risks that can emerge. Read our fact sheet on bringing baby home.

-  **Trigger times** – teach your child to leave your dog alone when they are:
- Sleeping – no-one likes to be woken up suddenly.
  - Eating or having a treat – they might think you're going to take their food.
  - Have a toy or something else they really like – they might not want to share!

-  **Still worried?**
- If you're worried by the way your dog is with your child, talk to your vet. They'll check your dog's health and can refer you to a qualified animal behaviourist.
  - Visit the [Animal Behaviour and Training Council](#) website to find a qualified behaviourist near you.

## Prayer for the Week

Dear God

Thank you for the sunshine and showers this week. We are grateful for the exciting trips and experiences our classes have enjoyed - thank you for the fun, the learning and the safe travels.

As we begin this final half-term, help us to work hard, be kind, and enjoy each moment together.

Bless our school community; our friends; families and our staff, guide us through the busy weeks ahead with joy and patience.

Amen
